

No one's telling you to skip the chocolate, the flowers, or heart-laced cards, but you can also honor that special someone in February by donating blood. Think of it as a Valentine to the community! It's easy to do, and donation only takes an hour from check-in to post-donation cookies (actual donation time is only about 10 minutes). And you can be sure that our community appreciates it – because it's needed. Patients rely on donated blood for cancer treatment, surgeries, and trauma situations. New and returning donors are urgently needed to maintain a safe and reliable blood supply for everyone in our community. As a donor, you'll be helping the lives of patients and their loved ones. Can there be a better Valentine? Make your appointment to save a life today!! Must be at least 16 years old to donate blood.

Parklands North Creek Blood Drive

Tuesday, February 11, 2025

9:00 am to 3:00 pm
